Meet the star photographers
from the slums of Yamuna
Khadar.

These children study in Delhi
Govt School. Their parents
work as labourers who cannot
afford a camera, yet these
children excel at photography.

Special thanks to S Chandan
& Arti Dogra for teaching
them photography.

The Nav Uday Kiran Nursery School is set up by Nav Uday Kiran NGO to provide basic quality education to children of underprivileged families in Yamuna Khaddar who cannot afford to attend regular Nursery schools. The nursery school will provide a learning environment to students of 3 to 5 years who are otherwise unable to attend school because of long distance. Here at Nav Uday Kiran School we intend to empower children to be active learners and participants. All the students will benefit from learning. We will run programme to support the education for the under privileged children in several ways. The continuous success of the various programmes of NAV UDAY KIRAN NGO has led to tremendous growth in supporting many families in the society. Donations made to this program support the salaries, transportation, and administration cost of the school. You can donate to this program and help 5 children get access to education.
